BASIC-ABSTRACT:

The Chinese patent medicine consists of coptis root, Scutellaria root, Curcuma root, realgar, zinnobar and other Chinese medicinal materials. With the functions of invigorating blood circulation, dispersing blood clots, discharging heat, inducing resuscitation, eliminating thrombus, reducing blood lipids and dispelling wind, the medicine can be used to cure hypertension and cerebrovascular disease and has obvious curative effects for hemiplegia, rheumatoid arthritis, quadriplegia and apoplexy.
